1. Questions and Answers

a. **Question:** Page 107, Section L, Cost Proposal Preparation. Cost elements spreadsheets are specified to be submitted in hard copy as well as on a 3.5" diskette. Due to the size and information contained in the spreadsheets, a 3.5" diskette will not always accommodate the information. May offeror's data be submitted on a CD-ROM for this information.

Answer: The cost spreadsheets may be submitted on either a 3.5" diskette or on a CD-ROM.

b. **Question:** Page 120, Section M, Evaluation Factors for Award. This section refers to the "Realism of Estimated Cost." Please clarify how estimated cost will be calculated. This offeror assumes that the total evaluated cost will be the sum of the labor based on the RFP specified heads by labor category, the RFP specified ODC's, Contractor identified labor and ODC's plus all the applicable burdens and profit for the base period and all option periods. Is this interpretation correct?

Answer: A realism assessment of each contractor's cost proposal will be performed.
